WrenchWay and ASE Announce Strategic Partnership

School Assist Powered by WrenchWay & ASE

- Centralized platform for all schools & industry partners
- ASE Education Foundation will be inviting all 2,000+ ASE accredited schools
 - All schools will continue to be welcome on School Assist for free
- New lower level pricing option for shops, dealers, and other industry partners
 - Mutually promoted by WrenchWay & ASE
- Joint effort to build out additional features
- ASE Education Foundation field reps at the ground level

Other Partnership Initiatives

- Voice of Technician Survey and Report
- Technician pay tool
- Joint events & webinars
- Online community

School Assist Updates

- Many more schools and shops
- New lower priced shop membership
- Mobile app
- Shops can record all “assists” in WrenchWay
- Various user experience improvements
 - Quick links and dashboard for schools
 - Completed and partially completed assists
 - ASE guides & best practices
